Jen-

On-call sounds good to me. You can reach me at the lab (413-545-2607) or on my cell ([REDACTED]). It would probably take me 45min-hour to get there once I got the call as I would need to put away whatever submissions I was working on and change into "court clothes" before heading out. Thanks.

Hi Ms. Farak,

I am the trial ADA for this case which is scheduled for trial on Wednesday on Belchertown District Court. It is Lab No. [REDACTED]. I was planning to have you on-call that day. There is a strong possibility I will be able to resolve the case prior to trial. Please let me know the best number to reach you at on Wednesday if you are needed.

Thank you!

Jen
